IGNITE YOUR PHOTOGRAPHIC PASSION!

At PSC we believe that photography is a thrilling medium, one that is always changing, where the possibilities are endless and the discoveries constantly exciting!

NEW 20 WEEK PROGRAM

For more than 40 years PSC has been at the forefront of photographic education delivering programs that increase creativity, build strong technique and ignite photographic passion. This approach underpins our new 20-week program giving you the opportunity to:

- get to know your digital camera
- build your visual awareness
- gain more confidence
- learn about exposure and composition
- learn more about technique and workflow
- take more creative and imaginative photos
- understand how to work with light
- share your work for feedback

You learn what makes your photos work and why.
How to take more visual risks, get better results and produce a folio to share with family and friends.
This program is a great way to ignite your photographic passion, whether you’re a beginner or more experienced!

WHERE IS PSC?

Find us in trendy Southbank,
the heart of Melbourne’s vibrant
arts and cultural scene; only 10
minutes from the city centre
surrounded by contemporary
galleries and great cafes.
In addition to our 20 week program of one evening a week, you have the choice to enrol in the full semester option - this includes some additional evenings and a weekend intensive as follows:

**Full semester additional evening and weekend option***

**Apply Basic Design Theory to Image Making**
8 sessions one evening a week
Be introduced to composition, form, shape, dimension and perspective and understand more about why your photographs work.

**Work with light on location**
Delivered over a weekend
On location
Photographing on location in the tradition of the great photographers you learn to ‘capture the moment’, take visual risks, see the light and use improved techniques.
Troubleshoot on the spot!
Find out more at your personal appointment.

* Must be undertaken if you decide to complete the accredited Advanced Diploma of Photography course (22176VIC)

“I started off seeing it as a hobby but I can’t help falling for photography more and more. Now it’s hard to envision my life without it…”
